Educational Innovators

TSSM is a national leader in innovative VCE educational programs. We're committed to ensuring that every one of our students reaches their full potential.

Our professional and comprehensive revision programs never compromise on quality, and we're the only VCE educator in the country to offer a money back guarantee.

TSSM classes are also offered In-person or Live & Online!

Your path to VCE success starts with:

- Advanced study skill development
- Better problem solving strategies
- Clear emphasis on key concepts in Units 2, 3 & 4
- Comprehensive coverage of all Units 2, 3 & 4 study areas
- Effective exam preparation
- Improved self confidence
- Improved time management skills
- A+ level study notes & exam-style questions per subject

Develop Essential VCE Skills with

A Deeper Knowledge of Examinable Areas

You will be instructed by leading VCE teachers on the specific knowledge requirements that are set out by the VCAA Study Design for each subject.

A Practical Understanding of the Types of Questions Officially Examined by the VCAA

Through the completion of an extensive range examination style questions, you will gain a solid understanding of the types of questions that will be examined. This is a critical part of successful exam preparation.

Greater Self Confidence

By developing greater self confidence in each subject area, you will become more confident and positive about your examinations.

September Holiday Exam Preparation Program - 9 hours

Held between September 21st and October 6th 2024, our September Holiday exam preparation program helps you thoroughly review all key areas of study as outlined in the VCAA Study Design for each subject prior to the exam rush.

Direct emphasis is placed on detailed content review and probable exam questions. Experienced VCE assessors will provide hints, tricks and exam strategies for maximising ATAR scores.

Key features of this program:

- 9 hours of detailed content review for each subject
- Emphasis is placed on learning and reviewing examinable content.
- Each student receives a set of bound, comprehensive revision notes, written to an A+ level
- All students will solve an extensive range of exam style questions ensuring thorough preparation for the examinations
- Each student is presented with at least 80 exam-style questions, with solutions provided upon completion of the program
- Available for Unit 2 and Units 3 & 4 subjects
- We allocate regular break time to a maximum of 90 minutes per subject, enabling students to stay focused and fresh
- An additional option for Mathematics students to attend a 3 hour Calculator Mastery Session. See below for details.

Students attending the Unit 4 September Holiday English program must attend the Analysing argument session, one 'Framework of Ideas' revision, plus one text revision. This structure has been adopted as it covers all the examination requirements for English. Students may select additional texts to attend.

ADDITIONAL SUBJECT SPECIFIC MATHS & SCIENCE APPLICATIONS & EXTENSION QUESTIONS CLASSES (9 HRS PER SUBJECT)

In addition to the September Holiday Program these classes offer students the benefit of specific instruction on the most critical, difficult and highly probable applications and extension questions that are essential for achieving the elite scores for each subject.

During these classes, our expert teachers will breakdown each question to show students where the exam marks are given, ensuring that students are provided with every opportunity to understand the VCAA marking schemes and requirements for each question. This will enable students to obtain every possible mark during their examinations that may otherwise be missed. This program is available for Units 3 & 4:

- Biology
- Chemistry
- Mathematical Methods
- Physics
- Specialist Mathematics

Duration: 9 hrs per subject. **Investment:** \$159.

Special Offer: Take the Additional Maths & Science Applications & Extensions Questions Class for only \$119 when you enrol in a corresponding subject for the September Holiday Program.

Please note: This program will not cover a full content revision and as such should not be done on its own. Students are advised to attend the September Holiday Program for their specific subject also to obtain a full content revision.

CALCULATOR MASTERY SESSIONS

Learn the essential calculator techniques that you will need for semester two Maths Methods, and Specialist Maths in our Calculator Mastery Sessions. Both sessions are open to year 11 and 12 students:

Session 1: TI N-Spire (CAS) Calculator Mastery. **Duration:** 3 hrs. **Investment:** \$69.

Session 2: Casio ClassPad (CAS) Calculator Mastery. **Duration:** 3 hrs. **Investment:** \$69

Special Offer: Enrol in Maths Methods or Specialist Maths and take one of the calculator mastery sessions for only \$45!

Accuracy and Speed

Develop accuracy and speed through exposure to all types of examination style questions, and being shown how to accurately construct your responses by VCE teachers who mark the exams.

Effective Examination Techniques

You will develop the enhanced examination techniques that are used by elite A+ students. These techniques are proven to maximise your ATAR.

Powerful Study Habits

Learn effective study habits that will improve the efficiency of your study time, and help you through VCE and beyond.

End-of-Year Revision Program - 10 hours or 6.5 hours

Conveniently scheduled between October 12th and 26th 2024 and just a couple of weeks before the final exams, the End-of Year revision program provides that all-important last opportunity to ask questions and clarify key examinable areas.

This program provides students with a detailed revision of all examinable subject content leading up to the end-of-year exams. As part of the emphasis of this program, each student will acquire up to the minute tricks, hints and strategies on how to blitz the final exams from experienced VCE assessors.

Key features of this program:

- 10 hours of revision for the Biology, Chemistry, English, General Mathematics, Mathematical Methods, Physics, Psychology & Specialist Mathematics
- 6.5 hours of revision for the Melbourne programs to All Other Subjects
- Exam tricks, hints and strategies from experienced VCE assessors
- Common exam errors exposed!
- Each student receives a set of bound, comprehensive revision notes, written to an A+ level
- Access the TSSM '50 question quiz' which helps you identify, isolate, and improve your study weaknesses in each subject
- Conquer the Exams - Strategies for Exam Success Seminar, complimentary with every End-of-Year Revision subject enrolment
- Each student will be given a trial examination paper with every subject (two for the mathematics subjects)
- Regular breaks are scheduled throughout the day for each subject, keeping students fresh and eager to learn.

CONQUER THE EXAMS - STRATEGIES FOR SUCCESS SEMINAR

In this 2 hour session you will learn the essential techniques and strategies used by high performing students to achieve elite results in their exams. From high level exam skills and powerful study habits, to how to maximise your time before and during the exam, you too can conquer the exams!

All students are also encouraged to attend the Conquer the Exams strategies for success seminar.

Our VCE teachers will help you succeed

TSSM's elite teachers are among the best in the State. To give you the best chance of success, each teacher is individually chosen after a thorough interview process and countless recommendations from their colleagues and students. Our teachers are **VCAA Exam Assessors, State Reviewers** and **Published Authors** with an in depth understanding of the specific course and assessment requirements of the VCE.

Our teachers have a knack for simplifying subject content that VCE students find difficult into more understandable and practical forms, helping VCE students optimise their performance in the end-of-year exams.

For more information about specific teachers for each subject, including complete teacher profiles, visit us online at www.tssm.com.au or phone us on 1300 134 518.

Exclusive Benefits of attending our VCE Programs

By taking part in one or both of our unique exam preparation programs, you will develop sophisticated problem solving and time management skills, as well as powerful study habits and exam techniques that will help you excel in VCE and beyond!

You will receive...

A+ level comprehensive materials

- Detailed and comprehensive A+ level revision notes written by VCAA assessors, addressing every study design dot point
- An extensive set of probable examination questions with full solutions outlining marking schemes

Excellent exam preparation

All students who take part in our September Holiday Program or End-of-Year Revision Program classes also receive:

- Practice with likely examination questions
- Professional revision on core VCE concepts that reduces pre-examination pressures
- Problem solving strategies often known only by elite students
- An open, 'ask questions' teaching environment
- Assistance on exam tricks, common student pitfalls and errors
- Interactive teaching that reinforces concepts taught at schools
- Individual motivation and support

Additional Benefits

- Classes conducted by VCAA Assessors, State Reviewers and Published Authors
- Friendly, helpful teachers who can effectively help you achieve excellent examination results
- Each subject provides the most comprehensive exam preparation currently available with a revision of up to 28 hours (when students enrol in both programs and the Additional Maths and Science Applications & Extension Questions Classes)
- Classes cover all Areas of Study as prescribed by the VCAA
- We provide plenty of opportunities to ask questions

Small, interactive classes!

Choosing TSSM means selecting the most effective VCE exam preparation in the **smallest class sizes**. Benefit from our exceptional VCE teachers who mark the real exams in smaller class sizes providing:

- Thorough content coverage
- An interactive and question-based approach to learning
- Faster and more personalised learning

"I really enjoyed my lecture, it was super engaging and I feel a lot more equipped to take on the exam. Thanks TSSM!"

Mia Keily

"Clear and effective method of teaching, the presenter was able to provide clarity and shed light on the topics that caused me such strife! Amazing teachers and resources worth every cent. 10/10 recommend."

Shreya Naidoo

Due to the popularity of our courses, we regularly allocate more than one teacher to a subject. This is always the case when Unit 2 and Units 3 & 4 subjects run concurrently. For details and full profiles of our excellent teachers please visit www.tssm.com.au.

TSSM's Professional Private Tuition Service
